

VisionLink Community of Practice Sessions

Stay up-to-date with new CommunityOS features, contribute your ideas during design studios, and brainstorm with your colleagues during our strategy seminars.

VisionLink announces a new schedule of customer engagement sessions designed to meet your needs. There are a variety of ways in which VisionLink customers can actively participate in the design of future CommunityOS features, improve functionality, maximize impact, and stay up to date on exciting upgrades and enhancements. In addition, these offerings include conversations that take the participant beyond the technology and on to the strategies for maximizing community outcomes and impact.

Sound interesting? Check out the schedule for June below and rsvp to hrivnak@visionlink.org to reserve your space (note: sessions are limited to **existing** customers and their staff). Once registered is closed, you will receive a confirmation email with corresponding dial-in and WebEx log-in access codes as appropriate for your session. Please do plan on attending!

Upcoming Community of Practice Schedule

| Session | Description | Date/Time |
|---|---|--|
| Feature Review: Dashboard Reports | WebEx demonstration of Dashboard Reports (pre-built reports that you can tailor for staff, board, funders, public). Presenter: Doug Zimmerman, President & CEO | June 5 @ 3 Eastern 2 Central 1 Mountain 12 Pacific |
| Design Studio: Gifts-In-Kind | Particularly in these tough economic times, donation management becomes more important. Gifts-in-Kind is an enhancement of our Donations Module, and we would like your feedback. - is this feature concept of use to you? - what features would be most useful? - how would you use this? - how could we improve our thinking of this? - given our road map, where would you see this as a priority for release? Presenter: Doug Zimmerman, President & CEO | June 12 @ 3 Eastern 2 Central 1 Mountain 12 Pacific |
| Strategy Seminar: Non-Profits Working Together | Dialogue among customers led by VL to share variety of ways customers use CommunityOS to increase community impact. This Strategy Seminar will be based on a white paper written by VisionLink and offered for discussion. Presenter: Doug Zimmerman, President & CEO | June 19 @ 3 Eastern 2 Central 1 Mountain 12 Pacific |
